"Voyage to the Veneto Region" Verona, Vicenza & Venice

Mid-September, 2010 – 12 Days

This exclusive program is an educational tour designed for Architects, Designers, and design enthusiasts. Be motivated by contemporary cutting-edge design, along with experiencing the origins of Palladio's work. Visit the design ateliers where Venetians honed their skills making glass in Murano. Be inspired by the most undeniably elegant textiles in the world. Meet and visit with architects and designers in Italy, while discovering and enjoying the Veneto's finest traditional food and wine.

Highlights of the Tour Include:

- Verona** Attend "Abitare il Tempo" International Exhibition
Meander through the old City of Verona
- Vicenza** This city is the heart of Palladio's work
Explore Renaissance Villas
Tour Classical Architecture
- Venice** Palladio's work in and near Venice
Santa Maria della Salute by Baldassare Longhena
Guggenheim Museum
Murano Glass Factories
Tessitura Luigi Bevilacqua - Original Looms
